

August 25, 2014

## End of Life Notice – Horizon Compact

The Horizon Compact product has begun its ramp down period as of August 12, 2014. DragonWave is offering a last time buy on all radio frequency bands with the exception of 24GHz (DEMS) and 26GHz radio systems. This will include any accessories that are specific to the Horizon Compact radios such as the CONEC based connectors and installation kits. The following table provides an overview of the ramp down schedule and key service termination dates.

	Timeframe	Notes
Last Time Buy	December 31, 2014	<p>Purchase order for new radios must be submitted Dec 31, 2014.</p> <p>Last time buy will not include any advanced replacement services.</p> <p>Standard factory warranty will continue to be included. No extended warranties will be offered for new sales.</p> <p>Capacity keys orders will continue to be honored until the End of Life date of July 31, 2018.</p>
End of Manufacturing	July 31, 2015	<p>No new radios will be manufactured as of this date.</p>
End of Life	July 31, 2018	<p>Technical phone support and repair services will terminate as of this date.</p>

New Horizon Compact sales offered as part of the last time buy period may see an extended lead time of up to 16 weeks depending on the frequency band ordered.
